SADIE STOCKTON

Saturday night, Sunday morning.

NEW SINGLE

"A Country Kinda Christmas"

Out December 4, 2026 on all streaming services. Traditional-leaning country with pedal steel, fiddle and sleigh bells. 2:59.

ABOUT

Sadie Stockton is a preacher's daughter from small-town Oklahoma who spends Saturday night on the dancehall floor and Sunday morning in the third pew. Her songs are about the life in between: gravel roads, family tables, pecan orchards and getting home on time.

"A Country Kinda Christmas" is a front-porch holiday song: cowboy stockings by the door, a muddy wreath on the pickup truck, and a house full of family. Two more singles follow in January 2027.

FROM THE CHORUS

It's a country kinda Christmas,
cowboy stockings by the door,
muddy wreath on the pickup truck.
